

# NATIONAL ADOPTION LEAGUE

Unite with a community of people who are passionate about adoption and share the belief that *every* child deserves a loving, permanent family. Join National Council For Adoption's National Adoption League and make a difference in the lives of thousands of children waiting to be adopted!

League members play a key role in promoting a culture of adoption in our nation and around the world through advocacy, social networking, blogging, and sharing with others the personal impact of adoption in their lives. Membership is open to anyone interested in adoption, adopted individuals, birth families, adoptive families, professionals, and organizations!

## Join Today and Receive...
